### Farewell to Mrs Chapman

We would like to take this opportunity to let you know, Mrs Chapman has decided to leave the school. She has worked at Paulton Juniors for 17 years as a wonderful class teacher, supporting and guiding the children in their learning. Her passion for learning outdoors, especially through play, has had a positive influence on the schools' curriculum and on the pupils at Paulton Junior School.

Thank You Mrs Chapman for all that you have done and we wish you well in your next adventures.

## Year 6 Greek Day

Last term, the children in year 6 had a wonderful day in Ancient Greece. *Those History People* provided a whole day of activities: The morning session focused upon making and role play. The pupils were met by the Archon of the city, who guided them around the Agora. The children engaged in a series of activities including: making a wax tablet, Fresco painting, mosaic making, carving, pottery painting, making a charm. While working, the pupils were kept busy spreading news and asking questions to learn more about Ancient Athenian culture.

In the afternoon, the pupils took part in the recreation of the Festival of Dionysus- reading poetry and acting in the Greek theatre. Thank you to everyone: parents, children, staff who made the day a great success.

## Year 3 Visit Paulton Basin

As part of the Year 3 history unit- Our Local Area, the classes visited Paulton Basin. They have been studying about the coal mines within the area, as well as how and why the Somersetshire Coal Canal was built in the 1800s.
