Rounders Tournament

Recently, we drove to Peasdown to take part in the annual Rounders Tournament and when we got there, we started playing some games that warmed us up. Our first match was against Peasdown; I was quite afraid because I had only played rounders in P.E. It was a very good match; we ended up winning 9-7. After that match, we went into another game with no break! That match was against Midsomer Norton; it was very hard but we ended up winning 6 ½ - 5, which surprised us. Then we finally had a break! However, **Mr Smith** came over and told us that we were in the FINAL! So then, it was the final against Peasdown; we were all very nervous. Unfortunately, we lost 4 ½ - 3, but all of us were still very happy with 2nd. It was a great experience!

The Incredible PTA

Your generosity combined with a wonderful **PTA** means that the school has just received its annual cheque. This year we have been given an amazing **£5200** which is so vital to support the projects that we have under way at school. We held a number of very successful events this year, especially the **Swimathon and Summer Fair**. My thanks to everyone who has given so generously. Please continue to support our new committee who were elected at the **AGM**. My sincere thanks go to all three of them for volunteering their services for the year ahead.
